

Silver Medal Winner

Winemaker Notes

This Viognier is sourced from two exceptional vineyards located in the Rogue Valley appellation; Sundown and Steelhead Run Vineyards. The wine opens with intense aromas of white peach and grapefruit which shortly give rise to apricot, jasmine and cardamom with some time in the glass. The medium-bodied impression in the mouth introduces the flavors of star fruit and tarragon with a hint of barrel spice. This heady white wine showcases a rare balance of floral, fruit and spice characteristics without being overpowering. Harmony is achieved through structure and acidity. Drink now through 2011.
