Reserve tasting suite available by appointment only

VINEYARDS

Dobbes Family Estate wines are crafted from a wide variety of vineyards in the Willamette and Rogue Valleys, including the Dundee Hills, Chehalem Mountains, Eola-Amity and McMinnville Appellations. Terroir plays an important role in the character development of wine, so all fruit is carefully selected from vineyards with differing elevations, soil types and clones. Single vineyard designates are an expression of each vineyard's unique terroir while distinct cuvées showcase the art of blending while staying true to vintage and varietal character.

Key vineyard sources in the Willamette Valley include Meyer, Quailhurst, Symonette and Momtazi. Key Rogue Valley vineyard sources include Fortmiller and Sundown.

Pinot noir

Grapes for the Pinot noir are hand-picked at peak maturity from select vineyards located in Oregon's Willamette Valley AVA. At the winery, fruit from each vineyard is separately fermented, pressed, aged in French Oak barrels and then blended. Our Pinot noir yields elegant, approachable tannins, ripe berry fruit flavors and complex aromas of dried and preserved fruits. This Pinot is balanced, ready to drink and does not require the cellar time.

Pinot gris

Classic Oregon Pinot gris aromas of pear and green apple are balanced with ripe, floral peach and banana. Zesty lemon peel, green mango and apple keep the palate crisp and light with a long finish while ripe Asian pear and honey flavors fill the mid-palate and balance body. Stainless steel fermentation focuses the aromas and flavors of this multi-vineyard blend of Pinot gris on bright fruit that represents Oregon's Willamette Valley.

Color: Dark garnet

Aroma: Dried cherry, raspberry, roses & lilies, earthy-tobacco and dried leaves

Mouth Feel: Medium entry and full mid-palate

Flavor: Dusty tannins, tart cherry and rhubarb, subtle toffee and cocoa

Finish: Medium long, moderate tannins

PINOT GRIS

Color: Golden straw

Aroma: Bright citrus lemon, green apple and pear tree fruit

Mouth Feel: Crisp and light

Flavor: Continued citrus and tree fruit with tangerine zest and honey blossom

Finish: Long

PINOT BLANC

Color: Sunlit straw to pale gold

Aroma: Melon, ripe tropical & citrus, floral honey & blossom

Mouth Feel: Creamy mid-palate, medium-light body

Flavor: Ripe tropical fruits, crisp citrus fruits

Finish: Long, acid driven

CHARDONNAY

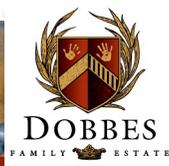

Color: Bright gold

Aroma: Ripe tropical pineapple and zesty citrus fruits

Mouth Feel: Light-bodied with soft, yet bright acidity

Flavor: Refreshing orange and lemon

Finish: Clean, crisp finish

JOE DOBBES *oregon winemaker*

Passionate, creative, driven to excellence in his art; Joe Dobbes is the consummate winemaker. Joe is a true Oregonian, raised in a small town in the north Willamette Valley and educated in Ashland. Yet his calling began outside Oregon, in Germany and France, where Joe spent 2 ½ years learning the art and science of winemaking. He apprenticed at Wiengut Erbhof Tesch, in the German Nahe region, and at Domaine G. Roumier and Domaine Comtes Lafon in Burgundy, France, with winemasters Christophe Roumier and Dominique Lafon. Joe returned to Oregon and applied his knowledge, experience, and passion for winemaking immediately.

THE creation of three distinct LABELS

Joe continually harvests the hard-won fruits of his labor. In 2002, he created his own company, and is currently one of Oregon's largest and most respected producers. Joe crafts 3 of his own Brands, plus those of several custom crush clients.

DOBBS FAMILY ESTATE

Elegant, opulent and age-worthy wines from Oregon's premier vineyards. Joe focuses on the best of Oregon's varietals: Willamette Valley Pinot Noir and Chardonnay and Rogue Valley Syrah, Grenache Blanc and Viognier.

WINE BY JOE

One of the first high quality screw top ventures in Oregon, producing handcrafted Pinot Noir, Pinot Gris, Chardonnay and Pinot Blanc varietals. This is your go-to wine. Delicious, approachable and meant to be shared.

JOVINO

Willamette Valley specific and only served at fine restaurants in select National and International markets. Joe crafted the Pinot Noir and Pinot Gris for the Jovino label to be extremely food-friendly, well-balanced, rich, yet elegant.

DOBBES FAMILY ESTATE *winery* | DUNDEE, OREGON

Located in the heart of the town of Dundee, famous for the red Jory soil that produces many gorgeous Willamette Valley Pinot Noirs, the Dobbès Family Estate tasting room and winemaking facilities are nestled in a residential neighborhood right off Highway 99W.

Our reclaimed-wood paneled buildings have a rustic, warm feel that combine comfort with convenience to make our friendly tasting room the perfect “first-stop” on a wine country excursion. Adjacent to the tasting room, our premium winemaking facilities are accessible via daily tours offering a personal connection to our welcoming and talented production team.

Visitors are invited to stop by any day of the week to sample our collection of diverse, highly acclaimed wines. A variety of flights are offered at the tasting bar and on the newly renovated patio. Guests seeking an intimate and educational wine experience are encouraged to book a seated private tasting experience in the Reserve Tasting Suite.

SEA BREEZE *vineyard* | AMITY, OREGON

In February of 2006, Wine By Joe, LLC became one of the largest vineyard holders in the state of Oregon. our 214-acre Sea Breeze Vineyard is situated in Polk County in the Willamette Valley AVA (American Viticulture Area), about 10 miles west of Salem, Oregon. The vineyard encompasses east-facing elevations from 203 to 328 feet and west-facing elevations from 208 to 320 feet.

Here our fruit takes on a cool coastal influence as it soaks up late-afternoon, summertime breezes that blow through the Van Duzer Corridor from the Pacific Ocean. These gentle, refreshing winds allow our grapes to hang on the vine longer and foster a full maturity of flavor, fruitiness and overall complexity.

The vineyard was planted with Pinot Noir clones 113, 777, Pommard and Wadenswil in 1987. Pinot Blanc, Pinot Gris and additional Pinot Noir were planted in 1999. The total planted acres is 189, comprised of 116 acres of Pinot Noir, 68 acres of Pinot Gris and five acres of Pinot Blanc.
